

Calibration order

Annual calibration of force testing equipment is mandatory according to BS EN 12445:2000 - 5.1.2.

On calibration expiry please print and complete the following form and send it alongside your device to:

GTE Industrieelektronik GmbH
- Calibration service -
Helmholtzstr. 38-40
D-41747 Viersen
GERMANY

Please make sure to use packaging that will protect your KMG from transport damage.

GTE Industrieelektronik GmbH

Helmholtzstr. 21, 38-40, D-41747 Viersen, Tel.: 02162 / 3703 - 0, Fax: 02162 / 3703 - 25, Internet: www.gte.de, Email: info@gte.de
